STRATA PLAN BCS 1559 - THE TAYLOR

2008 OPERATING BUDGET EXPLANATORY NOTES

ADMINISTRATION EXPENSES

Property Management

The Strata Corporation has a Management contract with The Wynford Group. The overall Management fee is based on a time and cost analysis formula. The Management Company provides all back up services to the Strata Council and is responsible for the day-to-day administration of the Corporation, whereas the Strata Council is responsible for the establishment of policies.

Bank Charges

Covers the cost of the monthly bank charges, custom cheques, etc.

Postage / Copiers / Office Expenses

Duplicating, such as notices, newsletters, and General Meeting information is paid for by the Strata Corporation and funds for such are included within this account, as is an allocation for postage, and couriers, and registration expenses (Land Titles Office).

Legal Fees

This item is for any legal fees incurred by the Strata Corporation in the course of the running of the property.

RESA Audit

This allocation is to cover the cost of the trust account audit required by the *Real Estate Services Act* effective January 1st, 2006. (Charged at net).

Insurance Deductibles / Claims

This category provides an amount for the Strata Corporation insurance deductibles where the damage does not originate from within a Strata Lot. The deductibles are as high as \$50,000 (sewer back up), so the funds allotted may not be sufficient. Unfortunately, there is no way to determine how much money will be required in this category, if any.

Telephone / Pager

Covers the costs of the phone line(s) in the Caretaker's office and the Caretaker's cell phone.

Insurance Premium

In accordance with the *Strata Property* Act, the Strata Corporation is required to maintain full replacement value coverage. On the basis of the Strata Corporation's appraisal program and the annually updated figures, the Strata Corporation must increase the amount of its coverage to cover the additional replacement value costs. The 2008 figure is based on anticipated premium costs and includes Strata Council Errors and Omissions Insurance, and Earthquake Coverage.

Wages Caretaker

Covers the wages for the Caretaker.

Security Guard

Covers the cost of a Security Guard 16 hours, 7 days per week.

Alarm Monitoring

Covers the costs for the alarm monitoring system.

Wages - Relief Caretaker

Covers the cost of the new Relief Caretaker position. This new position will be staggered with the Resident Manager's days of work so that a Strata employee will be on duty 7 days per week. This will be helpful during moves in and out of the building, and for keeping track of Contractors while they are on site. For 1 to 2 days per week, both employees will be on duty. This will allow them to work on "2 people" jobs. The Relief Caretaker will assume the janitorial duties for the days he / she is working. The janitorial budget category has been reduced accordingly. The Relief Caretaker would also be filling in for the Resident Manager whenever he is on vacation.

Miscellaneous

Covers items not specifically covered in other budget categories.

UTILITIES

Electricity

The 2008 figure is based on historical data for the Strata Corporation and covers the cost of common area lighting and electricity required to run building equipment.

Gas

This item covers the cost of gas to run equipment in the building, including gas fireplaces.

Water & Sewer Tax

Covers metered water and sewer charges imposed by the City of Vancouver.

Garbage Collection

The Strata Corporation has a contract with Smithrite for refuse removal.

Enterphone

Includes repairs and maintenance to the enterphone systems.

BUILDING MAINTENANCE

Janitorial

Covers the cost of the regular janitorial work. This category budget figure has been reduced to reflect the information explained under "Wages - Relief Caretaker".

Supplies

Covers the cost of cleaning, office, and miscellaneous supplies required at the building.

Pest Control

Covers the costs for regular pest control services.

Security

Covers the cost of miscellaneous security expenses and improvements.

Elevator & Licence

The Strata Corporation has a contract for monthly maintenance of the elevators. Parts and / or repairs not included in the regular contract would also be expensed through this category.

Mechanical

The Strata Corporation has a maintenance contract with DMS Mechanical for all mechanical equipment. Additional repairs required to this equipment are also expensed through this category.

Fire Protection

The Strata Corporation is required to conduct an annual fire inspection of the building. This category covers the cost of the inspection, and any required repairs to the fire control / alarm systems.

General Repair & Maintenance

This item covers repairs required to the common areas of the building and in-suite repairs where the Strata Corporation is responsible (i.e. water leaks from common pipes, etc.).

In accordance with the provisions of the Strata Property Act, the Strata Corporation is obliged to set aside a minimum of ten percent (10%) of the Annual Budget for capital expenses, and payment of any unforeseen expenditures not contained within any of the categories outlined above if the balance of the Contingency Reserve Fund is not at least twenty-five percent (25%) of the total Operating Budget. The Contingency Reserve Fund balance does not presently exceed twenty-five (25%) of the Operating Budget.

February 1, 2008

To All Owners Strata Plan BCS 1559, The Taylor

Dear Owner(s):

At the Annual General Meeting held on Tuesday, January 15th, 2008, the Owners voted to approved the 2008 / 2009 Operating Budget as amended, which reflects an increase in Strata Fees effective February 1st, 2008. A copy of the amended Operating Budget as well as a list of the new Strata Fees is attached.

Those Owners who pay by Pre-authorized Payment (PAP) need take no further action. We will adjust your PAP and take the one-time adjustment payment on March 1st, 2008, to cover the increase for February 2008. If you do not use the PAP plan, we urge you to take advantage of this payment method and we enclose the PAP application form and information.

If you pay your Strata Fees by cheque, you will need to send in payment for the retroactive increase to cover for February 2008. Also, please remember to provide a series of post-dated cheques for 2008 / 2009 (made payable to "Strata Plan BCS 1559"); ensure that your unit number is clearly marked on the front of each of your cheques and that the amounts are correct.

The Owners also approved 3/4 Vote Resolution #2 and several Majority Vote Resolutions, resulting in amendments to the Strata Corporation Bylaws and Rules. Enclosed please find the updated pages including the cover sheet to be inserted into your current copy of the Bylaws, plus a full updated copy of the Rules.

For other items of business conducted at the Annual General Meeting, please refer to the attached Minutes.

As it is imperative that we be able to contact you quickly in the event of an emergency, please complete the enclosed "Notification in Case of Emergency" form and return it to this office at your earliest convenience.

- The Resident Manager will be asked to make some recommendations on ways to improve handling of moves in and out of the building.
- Owners were asked to write in to Council with their suggestions.

There being no further questions, the vote was called on Majority Vote Resolution #2. CARRIED UNANIMOUSLY.

APPROVAL OF MAJORITY VOTE RESOLUTION #3

It was MOVED / SECONDED (#809 / #2002) to approve Majority Vote Resolution #3, as follows:

WHEREAS Council passed the following Rule at the June 4th, 2007 Council Meeting;

BE IT THEREFORE RESOLVED as a Majority Vote Resolution of the Owners, Strata Plan BCS 1559, The Taylor, to ratify the following addition to Rule #4:

4. Moving In / Out:

When moving in or out, an Owner, Tenant, Occupant, or Resident must:

g) An additional move charge in the amount of \$250 will be charged to the Owner's account for any unbooked moves. An unbooked move will not be permitted unless it complies with all other Rules and it is a convenient time (i.e. no other moves, security available).

The floor was opened for questions. A discussion was held regarding the problems created by unbooked moves.

It was MOVED / SECONDED (#510 / #2602) to amend Majority Vote Resolution #3 to change the additional move charge for unbooked moves to \$1,000.

The vote was called on the amendment. CARRIED. 52 in favour, 2 opposed, 19 abstentions.

The vote was then called on Majority Vote Resolution #3, as amended. CARRIED. 64 in favour, 0 opposed, 9 abstentions.

As five more Owners had signed in, the total number of votes was now at 78.

APPROVAL OF MAJORITY VOTE RESOLUTION #4

It was MOVED / SECONDED (#809 / #1603) to approve Majority Vote Resolution #4, as follows:

WHEREAS Council passed the following Rule at the September 4th, 2007 Council Meeting;

BE IT THEREFORE RESOLVED as a Majority Vote Resolution of the Owners, Strata Plan BCS 1559, The Taylor, to ratify the following addition of Rule #13:

13. Elevators:

Stealing of a locked-off elevator will result in a \$50 fine.

The floor was opened for questions. The following points were noted:

- An Owner asked whether someone could accidentally steal a locked-off elevator. It was noted that someone would have to continually hold the button down for the floor they wished to go to, to make a locked off elevator move to that floor.
- It was noted that Owners are responsible for their guests.
- It was explained that a big inconvenience is created for everyone when someone steals a locked off elevator.
- It was suggested that a sign be posted stating this elevator is in use for moving when an elevator is locked off.
- It was suggested that visitors to the building might accidentally steal a locked-off elevator, due to lack of knowledge. Council would look at such cases individually.

There being no further questions, the vote was called on Majority Vote Resolution #4. CARRIED. 70 in favour, 2 opposed, 6 abstentions.

APPROVAL OF MAJORITY VOTE RESOLUTION #5

It was noted that the items listed in Majority Vote Resolution #5 would be better handled by a Bylaw amendment, since they do not relate to the use and enjoyment of common property.

Accordingly, it was MOVED / SECONDED (#1603 / #1807) to strike Majority Vote Resolution #5 from the Agenda. CARRIED UNANIMOUSLY.

It was suggested and agreed that these items be presented as Bylaw amendments at the next General Meeting.

An Owner suggested that Owners doing renovations should be required to notify their neighbours. Council agreed to add this to the permission letter for renovations.

APPROVAL OF MAJORITY VOTE RESOLUTION #6

It was MOVED / SECONDED (#1905 / #2002) to approve Majority Vote Resolution #6, as follows:

WHEREAS Council passed the following Rule at the October 2nd, 2007 Council Meeting;

BE IT THEREFORE RESOLVED as a Majority Vote Resolution of the Owners, Strata Plan BCS 1559, The Taylor, to ratify the following addition to Rule #6:

6. Vehicles & Parking:

Visitors Parking Pass:

- Visitor parking passes will be \$50 (no exceptions).
- The unit number must be clearly displayed on the visitors parking pass.
- Only one visitors parking pass will be issued per unit.
- Harmony House passes will be numbered 1 to 5.

The floor was opened for questions. The following points were noted:

- There are currently approximately 24 visitor parking spots. Council has been discussing the
 possibility of renting out a few of the spots to Residents for additional revenue for the Strata
 Corporation.
- It was noted that the \$50 fee would be for replacement parking passes. Owners are not required to replace their existing parking passes, at this time.
- It was suggested that better quality parking passes be ordered.

There being no further questions, the vote was called on Majority Vote Resolution #6. CARRIED. 75 in favour, 3 opposed, 0 abstentions.

One Owner left the meeting, bringing the total number of votes to 77.

9. REPORT ON INSURANCE

The report on insurance was attached to the Annual General Meeting package, as required by the Strata Property Act. The floor was opened for questions:

 An owner asked whether competitive quotes have been obtained for insurance. The Strata Corporation's insurance broker shops the market for the Strata Corporation.

There were no more questions.

10. APPROVAL OF THE 2008 OPERATING BUDGET

It was MOVED / SECONDED (TH 4 / #1905) to approve the proposed 2008 Operating Budget.

The floor was opened for questions. The following points were noted:

- An owner suggested that last year's budget should have been attached for a comparison.
- Discussion was held regarding the rooftop gardens and the problems with the irrigation system. An Owner suggested the rooftop garden areas be replaced with rock gardens. This would require approval of a Resolution at an Annual General Meeting, which must be in the Annual General Meeting package mailed to Owners. It also may require City approval if there are green space requirements in place for the property.
- It has been suggested that an additional \$3,000 be added to the Operating Budget for landscaping improvements.
- Quotes were obtained to install piping to hook up the irrigation systems for the rooftop gardens, but the quotes were quite expensive. This item is on the deficiency list for discussion with the developer.
- An Owner asked about the frequency of window washing. The existing budget figure only allows for only one window washing during the year.
- A question was raised regarding photocopying costs. The costs were particularly high in the past
 year, due to the mail out of the entire set of Bylaws in the Special General Meeting package and
 follow up package to Owners.
- A question arose regarding providing documentation by e-mail rather than hard copies. An Owner has volunteered to create a website. This is still in the works. There will still be Owners who will want to receive hard copies of documents.
- An Owner suggested that there are a number of cosmetic issues that the developer is unlikely to address.

It was MOVED / SECONDED (#510 / #2401) to increase the repairs and maintenance budget amount by \$10,000 for cosmetic upgrades.

It was MOVED / SECONDED (TH 16 / #1508) to amend the Motion to have a separate category for cosmetic upgrades.

The vote was called on the amendment to the amendment. CARRIED. 67 in favour, 7 opposed, 3 abstentions.

The vote was then called on the amendment, as amended. CARRIED. 69 in favour, 6 opposed, 2 abstentions.

It was MOVED / SECONDED (#2002 / #510) to add \$3,000 to the budget for landscaping improvements.

It was noted the budget contains funds for the regular landscaping contract and funds for maintenance of the rooftop garden areas, but there are no funds allocated for landscaping improvements.

The vote was called on the amendment. CARRIED. 24 in favour, 13 opposed, 34 abstentions.

A discussion was held regarding security and possible security upgrades. It has been suggested
that an additional \$20,000 be added to the budget for security upgrades. The budget already
contains \$18,000 for security upgrades and repairs.

It was noted that the cost of the regular security guard is likely to increase, since the contractor has notified they will be increasing their hourly rate from \$15.00 to \$16.50.

It was MOVED / SECONDED (#1905 / #2401) to increase the security guard budget category to \$100,000. CARRIED. 57 in favour, 6 opposed, 4 abstentions.

A discussion was held regarding the newly created Relief Caretaker position. It was suggested this person's hours be offset to cover the hours not currently covered by the security guard.

There being no further proposed amendments to the budget, the vote was called on the budget, as amended. CARRIED. 75 in favour, 1 opposed, 1 abstention.

An Owner noted an error in the heading in one column of the budget. This will be corrected and the revised budget will be sent out with the Annual General Meeting follow up package.

BE IT THEREFORE RESOLVED as a 3/4 Vote Resolution of the Owners, Strata Plan BCS 1559, The Taylor, to repeal Bylaw #1(2), which currently reads:

And replace with the following:
